Dear Florida Public Service Commissioners,

RE: Docket #20230122-E1

As a citizen of unincorporated Hillsborough County and a TECO residential customer, I am opposed to short cutting the normal rate hearing process. Furthermore, I believe a balanced cost of service study is necessary and the commission should require it.

Please require TECO to file a more balanced cost of service study (12CP and 1/13th AD) and ensure that Florida families are protected in the process.

Sincerely,

Scott Gunsallus
