RE: Docket No. 20230081-WS – Application for increase in water and wastewater rates in Broward County by Royal Waterworks, Inc. – Response to Staff’s Third Data Request

Dear Commission Clerk:

Royal Waterworks, Inc. (Royal) hereby submits its response to Staff’s Third Data Request dated November 30, 2023.

1. Please refer to Royal’s responses to staff’s first data request, dated October 18, 2023, Document Number 05708-2023.

a. Has the SCADA for the WTP project been implemented? If so, please provide the final invoice for this project.

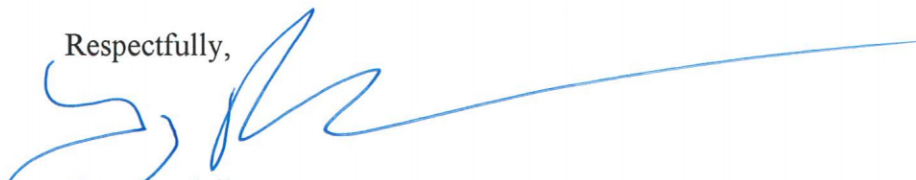

Response: See attached e-mail from BCI Technologies. This is scheduled for December 6, 2023.

b. Has the Lift Station Control Panel project been completed? If so, please provide the final invoice for this project.

Response: See attached e-mail from BCI Technologies. This has been started up and functioning with the exception of the Ramblewood liftstation, which needs some minor modifications.

If you have questions or require any more information, please contact me at 727-848-8292, ext. 245 or via email at trendell@uswatercorp.net.

Respectfully,

Troy Rendell

Lina,

Liftstation Project – has been started up and functioning with the exception of Ramble liftstation which needs some minor modifications before we can install.

Gil Isaiah is handling the Plant SCADA Project and I will let him answer that one.

Regards,

Gil Blackburn
