FPSC - COMMISSION CLERK

December 5, 2023

Docket No. 20230112-WU – Request for approval of new class of service in Okaloosa County by North Florida Community Water Systems.

Issue 1: Should NFCWS's proposed tariff which includes BFCs for additional meter sizes based on the AWWA meter equivalents for the residential and general service classes be approved?

Recommendation: Yes, the utility's proposed tariff which includes BFCs for additional meter sizes based on the AWWA meter equivalents for the residential and general service classes should be approved. The utility's proposed Second Revised Sheet No. 12.4 and Second Revised Sheet No. 13.4 should be approved as filed. The approved tariffs should be effective on the date of the Commission vote. Since no current customers are affected by the proposed tariff revisions, no customer notices are required.

Issue 2: Should this docket be closed?

Recommendation: Yes. If Issue 1 is approved, the tariff sheets should become effective on the date of the Commission vote. If a protest is filed within 21 days of the issuance of the Order, the tariff should remain in effect with the revenues held subject to refund pending resolution of the protest, and the docket should remain open. If no timely protest is filed, the docket should be closed upon the issuance of a Consummating Order.
