***Re: City of Jacksonville Beach, Florida d/b/a  
Beaches Energy Services – CORRECTED Revised Tariff Sheet 8.0***

Dear Mr. Teitzman:

This letter is submitted on behalf of the City of Jacksonville Beach, Florida, doing business as Beaches Energy Services, pursuant to Rules 25-9.05 through 25-9.071 of the *Florida Administrative Code*.

A tariff filing made on behalf of Beaches Energy Services on August 25, 2023, contained an error on *Fourteenth Revised Sheet 8.0 – General Service – Non-Demand*. The billing rate had inadvertently been shown as **\$0.8772/kWh** instead of as **\$0.08772/kWh**. Corrected sheets in filing and legislative formats are hereby filed.

Additionally, we have checked with the BES Chief Financial Officer Ashlie Gossett and customers have been charged at the rate of \$0.08772 since the tariff's effective date of October 1, 2023.

Please contact our office if there are any questions.

Very truly yours,

/s/
