

1 P R O C E E D I N G S

2 CHAIRMAN FAY: All right. If everyone could
3 grab their seats.

4 Okay. We will call the December 5th Special
5 Agenda Conference to order.

6 Mr. Hampson, we will have you introduce the
7 item this morning. You are recognized.

8 MR. HAMPSON: Thank you.

9 Good morning, Commissioners. This is Corey
10 Hampson on behalf of Commission staff.

11 At the November 9th, 2023, Special Agenda, the
12 Commission approved Peoples Gas System revenue
13 requirement as shown in Attachment A to the
14 recommendation. The Commission also voted on
15 issues addressing the forecast of customers and
16 therms, depreciation, rate base, cost of capital,
17 net operating income and cost of service.

18 Today, we are here to discuss Peoples Gas
19 System rates and tariffs, and specifically Issues
20 60, 61, 69, 70 and 75, which were not voted on at
21 the November 9th Special Agenda.

22 Issue 60, customers charges, and Issue 61, per
23 therm gas distribution charges, have been
24 calculated based on the Commission-approved total
25 revenue requirement for Peoples Gas.

1 Staff recommends approval of the customer
2 charges and per therm distribution charges as shown
3 in Attachment B to the recommendation.

4 In Issue 69, staff recommends the -- that the
5 Commission should approve the tariffs provided in
6 Attachment B. Peoples Gas has provided a direct
7 notice to customers during December 2023 and
8 January 2024, which identifies the final
9 Commission-approved rates and charges.

10 As stated in Issue 70, staff recommends that
11 the proposed rates and charges should become
12 effective with the first billing cycle of January
13 2024.

14 Lastly, in Issue 25 -- or excuse me, 75 --
15 staff recommends that after the final order is
16 issued, this docket should be closed.

17 This is a post-hearing decision, and
18 participation is limited to Commissioners and
19 staff.

20 Thank you.

21 CHAIRMAN FAY: Okay. Great. Thank you, Mr.
22 Hampson.

23 All right. Commissioners, let's -- what we
24 will do is we will take up, as Mr. Hampson
25 mentioned, Issues 60, 61, 69 and 70. Those are all

1 on the cost of service and rate design, and I
2 know -- I know we've already approved all the other
3 issues in this docket, but if we could take those
4 up as a whole, if there isn't objection to do that,
5 then we will go ahead and do that.

6 So we will take up a motion for Items 60, 61,
7 69 and 70, cost of service and rate design.

8 COMMISSIONER CLARK: Move approval of all the
9 items -- staff recommendation on all the items, Mr.
10 Chair.

11 COMMISSIONER GRAHAM: Second.

12 CHAIRMAN FAY: Okay. We have a motion and a
13 second for staff recommendation on those items.

14 All that approve say aye.

15 (Chorus of ayes.)

16 CHAIRMAN FAY: Okay. Show Items 60, 61, 69
17 and 70 approved unanimously by the Commission.

18 Okay. With that, then, Commissioners, we just
19 address the closure of the docket, which will be
20 Item 75, so I will take a motion on that item.

21 COMMISSIONER CLARK: Move to close the docket,
22 Mr. Chairman.

23 COMMISSIONER GRAHAM: Second.

24 CHAIRMAN FAY: Okay. We have a motion and a
25 second to approve items -- staff recommendation on

1 Issue 75.

2 All that approve say aye.

3 (Chorus of ayes.)

4 CHAIRMAN FAY: Okay. Show that item approved
5 unanimously also.

6 All right. With that, Mr. Hampson, no other
7 issues or anything to deal with this morning?

8 With that, Commissioners, we will adjourn my
9 final meeting as Chair. Thank you.

10 COMMISSIONER CLARK: Thank you.

11 (Proceedings concluded.)
