**RE:** Duke Energy Florida - Docket No. 20190140-EI – Confidentiality Request Extension - Document No. 05595-2019

---

On December 21, 2023, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Duke Energy Florida, LLC (DEF, or the Company) requested a second extension of confidential classification for highlighted information in Exhibit No. TH- 1 attached to the testimony of Terry Hobbs (Document No. 05595-2019), filed in the above-referenced docket, dated July 16, 2019.

On July 10, 2019, DEF filed the original Request for Confidential Classification related to this document. On July 16, 2019, DEF amended the request (Document No. 05588-2019). DEF's Amended Request was granted by Order No. PSC-2019-0380-CFO-EI on September 17, 2019. Subsequently, on March 10, 2021, DEF filed its First Request for Extension of Confidential Classification for this document. That request was granted by Order No. PSC-2022-0238-CFO-EI on June 27, 2022.

In the current request for extension, the Company maintains that nothing has changed such that the information in this document would no longer continue to be considered confidential under Sections 366.093(3)(d) and (e), F.S. Per the Statute, propriety of confidential business information includes, but is not limited to: Subsection (d) "Information concerning the bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms," and Subsection (e) "Information relating to the competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

Staff has reviewed DEF's Request for Extension for Confidential Classification and the information provided in DEF's Exhibit No. TH-1 attached to the testimony of Terry Hobbs, as well as the Company's confidentiality request. Staff believes that the information that is the subject of the current request for extension of confidentiality request meets the criteria for confidentiality contained in Section 366.093(3)(d) and (e), F.S. Staff recommends that the Company's request for extension of confidentiality of the highlighted information included in Document No. 05595-2019, be approved.
