CUSTOMER COMMENTS
Been with this company for over 30 years and
have seen many increases in the past, service is
not good , every 2 weeks or so water is turned off
to make repairs, after it comes on the water is
rusty looking for a few days, which makes it very
frustrating for the price I have to pay for water
service, I say NO TO A increase for
the simple reason the service is <u>woosy</u> !!
We live on a budget and also retired and more
money will make it hard on us!!
NO INCREASE
