DOCKET NO.: 20230129-EI

FILED: January 18, 2024

**TAMPA ELECTRIC COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Tampa Electric Company (“Tampa Electric” or “the company”), pursuant to Section 366.093 Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby requests confidential classification for the highlighted information contained in Tampa Electric Company’s response to Staff’s Data Request (Nos. 1-6). In support thereof, Tampa Electric states:

1. On this date, Tampa Electric served its response to Staff’s First Data Request (Nos. 1-6). The company believes that certain portions of its responses to Data Request Nos. 2 and 6 and the Excel files supporting the response to Data Request No. 5, as specified on Exhibit A, constitute “proprietary confidential business information” and has designated them as such by highlighting. Tampa Electric accordingly seeks confidential classification of this information such that it will be entitled to protection from public disclosure pursuant to Section 366.093, Florida Statutes.

2. Subsection 366.093(1), Florida Statutes, provides that any records “found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from s. 119.07(1), Florida Statutes [requiring disclosure under the Public Records Act].” Proprietary confidential business information includes but is not limited to: “information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms” and “information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.”§366.093(3)(d)-(e), Fla. Stat. The confidential information that is the subject of this request and motion falls within these statutory categories and, thus, constitutes

proprietary confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

3. Attached hereto as Exhibit "A" is a justification for confidential treatment of the confidential information contained in the response to the Data Request.

4. Attached hereto as Exhibit "B" is the public version of the document with the Confidential Information redacted.

5. Pursuant to Rule 25-22.006(9)(a), Tampa Electric requests that the Confidential Information be treated by the Commission as confidential proprietary business information for 18 months.

WHEREFORE, Tampa Electric Company respectfully requests that the Confidential Information that is the subject of this request be accorded confidential classification for the reasons set forth herein for 18 months.

DATED this 18th day of January 2024.

Respectfully submitted,
