Re: Application of 10TEL LLC to Provide Telecommunications Services within the State of Florida, Docket No. 2024-0021

Dear Sir or Madam:

Enclosed please find a check in the amount of \$500.00 to cover the requisite filing fee for the Application of 10TEL LLC to provide Telecommunications Services within the State of Florida. The Application was filed electronically on January 17, 2024, and assigned Docket Number 2024-0021. Also enclosed please find an unredacted version of the Application, which includes **Exhibit B** to the Application, filed under seal.

Pursuant to Section 364.183(1) of the Florida Statutes, and 25 FL ADC 25-22.006, **Exhibit B** of the Application, which contains financial information about the Applicant, is filed under seal. Applicant is a privately-held company, with no obligation to publicly disclose its financial information. Applicant routinely requests non-disclosure of its financial information when it is shared outside of the organization, as is the case here. Public disclosure of this information can provide insight into the Applicant's strategic initiatives, and would allow competitors access to 10TEL LLC's financials, thus causing unfair economic damage and substantially harm 10TEL LLC's. Therefore, 10TEL LLC respectfully requests that the Commission allow this material be filed under seal. Applicant is providing one unredacted copy of the Application with the confidential material highlighted, marked "Confidential," and in a sealed envelope under separate cover via FedEx.

Please date-stamp the enclosed duplicate of this filing and return in the self-addressed, postage-prepaid envelope.
