Thank you for the confirmation. It appears that the company name was entered into MCD incorrectly from the beginning. Per this email, MCD has been updated to remove the period behind "LLC". Additionally, the docket title and utilities for Docket 20230119 have been updated to match the name as now shown in MCD, "Sun Communities Finance, LLC d/b/a Water Oak Utility".

From Marty's email, I would say "Sun Communities Finance, LLC d/b/a Water Oak Utility" is the correct utility name.

The Florida Secretary of State website refers to the company with the Comma but without the Period.

So : Sun Communities Finance, LLC

So that is the correct name. Please correct it everywhere and let me know if I need to do more

Marty

Subject: RE: Docket 20230119-WU, Application for staff-assisted rate case in Lake County by Sun Communities Finance LLC d/b/a Water Oak Utility.

Good morning, the Clerk's office would like some direction on the proper punctuation for the application regarding Water Oak Utility. As stated in the email below , the application submitted on 10/16/2023 refers to the utility as "Sun Communities Finance LLC d/b/a Water Oak Utility" but our Master Commission Directory refers to the utility as "Sun Communities Finance, LLC. d/b/a Water Oak Utility". Our focus is on the comma after Finance and the period after LLC, which version is the proper utility name?

Thank you.
