Re: Docket No. 20230134 - Joint application for acknowledgement of corporate reorganization and approval of name change on Certificate No. 580-S in Franklin County from SGI Wastewater Services, Inc. to North Florida Community Water Systems, Inc.

Dear Commission Clerk,

On February 7, 2024, North Florida Community Water Systems, Inc. filed its Affirmation of Customer Notice Mailing – Document 00629-2024. However, after the document was filed, the FPSC Staff informed the utility that the Affirmation needed to be revised to include the mailing date.

Subsequently, the utility attempted to re-file an Amended Affirmation. This was rejected as being duplicative. However, this is an amended affirmation that now includes the mailing date.

Please include this cover letter and the attached Amended Affirmation in the docket file.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Troy Rendell", is written over the text "Respectfully submitted,".
