Got it, thank you for the confirmation. We will remove the utility reference “Grenelefe Resort Utility, Inc” (no period) from the docket and will leave the two company codes as they currently appear in MCD as well. Thank you for your help!

Sounds like I was incorrect and the period should still be in there until we receive confirmation otherwise.

Thanks

I am confirming that there is no period present in the official filing and thus should be removed from the MCD listing.

Thank you

Thank you for the confirmation. Per your instruction below, the following company names have been removed from the docket:

Grenelefe Resort Utilities Development, LLC

NC Real Estate Projects LLC  
NC Real Estate Projects LLC d/b/a Grenelefe Utility  
NC Real Estate Projects, LLC

The two that will remain are:

WS770 - Grenelefe Resort Utility, Inc.  
WS989 - NC Real Estate Projects, LLC d/b/a Grenelefe Utility

Per our subsequent conversations, the following will also remain in the docket:

Grenelefe Resort Utility, Inc

For confirmation, are all periods and commas in the correct places in the names that are associated with company codes?

Hi Dorothy,

I believe the two utilities that have company codes are the two utilities that should remain on the CASR. The company has filed the proper paperwork showing they've obtained the fictitious name (See: DN 06595-2023) and with the revised application there are only two entities involved in the transfer, which are represented by the two entries that have company codes associated with them.

Don't forget to advise us which utilities need to remain in the "utilities" tab in CMS.

Thanks!
