Per your request.

Tampa Electric will not pass transmission study costs through to customers. The company is not asking the Commission to allow it to recover those costs, if any, from customers.

Please let me know if you have additional questions.

Thanks.

Good afternoon,

As discussed we on the phone, would Tampa Electric Company (TECO) not pass transmission study cost through to customers and would not seek a separate approval from the Commission for such cost? Please clarify.

Thank you,
