TECO

To whom it may concern,

Please put it on the record that I, along with many others, in the Tampa Bay Area, am opposed to any rate hikes. In light of the fact that cost of living increase for food and services etc., has not been met with income increases for consumers, we are not in support of an energy rate increase. Additionally, the abundance of energy available at low expense to TECO, does not justify an increase to the consumer.

Thank you for your consideration,

Rebecca Palazzo-Castillo
