**Request For Confidential Classification for Document No. 00968-2024**

---

On February 29, 2024, Peninsula Pipeline Company, Inc. (Peninsula) filed a request for confidential classification of Document No. 00968-2024. This document contains certain information in Exhibit B to the firm transportation service agreement with Florida Public Utilities Company (FPUC) for the St. Cloud project on page 2 and Exhibit A to Amendment No. 1 to the firm transportation agreement with FPUC. Specifically, Peninsula identified the total Maximum Daily Transportation Quantity, total monthly reservation charge, and the unauthorized use rate on pages 4 and 5. Furthermore, Peninsula explained in its request for confidential classification that both Peninsula and FPUC treat the information as proprietary confidential business information that is not otherwise available in the public domain.

Staff reviewed the document and concurs with Peninsula that the nature of the information meets the requirements set forth in Sections 366.093(3)(d) and (e), Florida Statutes, whereby disclosure of the information would harm the competitive business operations of Peninsula. Therefore, Staff recommends that the request by Peninsula for confidential classification of Document No. 00968-2024 be approved.
