RE: Docket No. 20230090-EI; Petition to implement 2024 generation base rate adjustment provisions in paragraph 4 of the 2021 stipulation and settlement agreement by Tampa Electric Company

Dear Mr. Teitzman:

As the Commission considers the procedural schedule for this docket, and as noted during the informal meeting on March 6, 2024, Tampa Electric Company intends to file a motion to consolidate this docket with Docket No. 20240026-EI (Petition for Rate Increase by Tampa Electric Company) contemporaneously with or shortly after the company files its rate case petition, which is expected to be April 2, 2024. This approach will allow the Commission to consider the company's Proposal filed in this docket on February 19, 2024 ("Proposal"), in conjunction with the company's upcoming ratemaking proceeding, and is consistent with paragraph 15 of the Proposal.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jeff Wahlen', written over a light blue horizontal line.
