Re: EU. 20240032-SU

Commissioners of the Public Service Commission,

I am a property owner within the proposed service area for Environmental Utilities, LLC (EU) application to provide wastewater service. I reside at 50 Gasparilla Way

I am writing to object and oppose this APPLICATION FOR ORIGINAL CERTIFICATE OF AUTHORIZATION AND INITIAL RATES AND CHARGES FOR WASTEWATER SERVICE

Based on: 1. The need for service has not been definitively demonstrated
2. It is not in the public interest
3. The proposed service area is within the Charlotte County utility area

I am formally requesting an administrative hearing by the PSC for this application and to become an intervenor and/or party of record.

Thank you, Linda Cotherman
