

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Request for confidentiality of information contained in Earnings Surveillance Reports for December 2023, by Florida Power & Light Company.

DOCKET NO. 20240034-EI
ORDER NO. PSC-2024-0089-CFO-EI
ISSUED: April 4, 2024

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR CONFIDENTIAL CLASSIFICATION OF DOCUMENT NO. 00728-2024

On February 15, 2024, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power & Light Company (FPL) filed a Request for Confidential Classification (Request) of information contained in FPL's Earnings Surveillance Reports for December 2023. Specifically, FPL seeks confidential classification of Document No. 00728-2024.

Request for Confidential Classification

FPL contends that Document No. 00728-2024 contains certain information that constitutes "proprietary and confidential business information" entitled to protection under Section 366.093, F.S. FPL states that this information is intended to be and is treated by FPL as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers.

FPL further contends that Document No. 00728-2024 contains information concerning contractual data, the disclosure of which would impair the efforts of FPL or its vendors to enter transactions for services on favorable terms. FPL asserts that this information is entitled to confidential classification pursuant to Section 366.093(3)(d), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Section 119.07(1), F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The

information described above and in FPL's Request appears to concern contractual data, the disclosure of which would impair the efforts of FPL or its vendors to enter transactions for services on favorable terms. Thus, the information identified in Document No. 00728-2024 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Gabriella Passidomo, as Prehearing Officer, that Florida Power & Light Company's Request for Confidential Classification of Document No. 00728-2024 is granted. It is further

ORDERED that the information in Document No. 00728-2024, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein. It is further

ORDERED that this docket shall be closed.

By ORDER of Commissioner Gabriella Passidomo, as Prehearing Officer, this 4th day of April, 2024 .

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
