The rates shall be effective for service rendered as of the Commissions stamped approval date on the tariff sheets provided the customers have received notice. If the effective date of the new rates falls within a regular billing cycle, the initial bills at the new rate may be prorated. The old rates shall be prorated based on the number of days in the billing cycle before the effective date of the new rates. The new rates shall be prorated based on the number of days in the billing cycle on or after the effective date of the new rates. If you should have any questions, you may call the utility at 888-228-2134. Please be sure to have your account number handy for quick reference.
