To whom it may concern:

My wife and I own 228 N. Gulf Blvd.  
230 N. Gulf Blvd  
and 211 N. Gulf Blvd.

We have not requested sewer service nor do we want it:

- 1.)No study has been completed that indicates the need for a sewer system'
- 2.)If it was decided for any reason that we need one Charlotte County and not some private entity to install and operate such a system
- 3.

We are already charged 3 times the local rates for water because it owns the water lines on the Island.

4. Cost are prohibitive and should be under the county not for profit company.

5. This company does not have any experience building an operating a sewer system.

6. We have a sewer system in Michigan that costs \$90.00 per quarter not \$263.57 per month.

6. The estimated cost to us would be \$40,000.00+.

We do not NEED A SEWER SYSTEM we DO NOT WANT A SEWER SYSTEM  
and we DO NOT WANT TO BE AT THE MERCY OF THIS PRIVATE FOR PROFIT COMPANY.
