COMPLAINT INFORMATION

Complaint: Other Complaints against Duke Energy Florida, LLC d/b/a Duke Energy
Details:

I am not sending this to the utility as it will fall on deaf ears. Why do you people insist on approving any increase in Duke energy asks for? Do you not understand how this enormously adds to the cost of doing business and every household in Duke Energy's territorial hold. Shame on you people! Every facet of our lives is affected by the growing high cost of living and you all Kowtow to this monopoly for increased rates. I want your job as I am quite capable of making the right choices by balancing the needs of the PEOPLE of the state of Florida and Duke Energy's.
