Re: Docket No. 20220064-WS - Application for transfer of water and wastewater facilities of Tymber Creek Utilities, Inc., water Certificate No. 303-W, and wastewater Certificate No. 252-S to CSWR-Florida Utility Operating Company, LLC, in Volusia County.

Dear Ms. Watts:

The transfer order requires a status update if the sale is not finalized within 60 days. CSWR-Florida UOC currently expects to close on the purchase of the Tymber Creek system in mid-May, 2024. As soon as possible thereafter, we will file the executed and recorded deed and other post-approval documents required by the transfer order. Should closing be delayed, we will file another status update accordingly. Thank you again for your time and assistance with this docket.

Sincerely,

/s/ Thomas A. Crabb
