In re: Petition for limited proceeding for recovery of incremental storm restoration costs related to Hurricanes Elsa, Eta, Isaias, Ian, Nicole, and Tropical Storm Fred, by Duke Energy Florida, LLC.

DOCKET NO. 20230020-EI
ORDER NO. PSC-2024-0098-PCO-EI
ISSUED: April 17, 2024

ORDER GRANTING WHITE SPRINGS AGRICULTURAL CHEMICALS, INC.
D/B/A PCS PHOSPHATE-WHITE SPRINGS' PETITION TO INTERVENE

On January 23, 2023, Duke Energy Florida, LLC (DEF) filed a petition for a limited proceeding for recovery of incremental storm restoration costs related to Hurricanes Elsa, Eta, Isaias, Ian, Nicole and Tropical Storm Fred. By vote at its March 7, 2023 Agenda Conference the Commission approved DEF's request to implement an interim storm restoration recovery charge to recover \$442.1 million in incremental storm restoration costs subject to a final true-up at a later date. This docket has been set for hearing on May 21-22, 2024.¹

Petition for Intervention

By petition dated March 27, 2024, White Springs Agricultural Chemicals, Inc. d/b/a PCS Phosphate –White Springs (PCS Phosphate) requested permission to intervene in this proceeding. PCS Phosphate is a manufacturer of fertilizer products with plants and operations located within the DEF electric service territory. PCS receives electric service under various DEF rate schedules. PCS represents that it has conferred with counsel for DEF, Office of Public Counsel (OPC) and Walmart regarding its request for intervention. OPC supports PCS Phosphate's intervention. DEF and Walmart take no position regarding PCS Phosphate's intervention. No written objections have been filed as of this date and the time for doing so has expired.

Standard for Intervention

Pursuant to Rule 28-106.205, Florida Administrative Code (F.A.C.), persons, other than the original parties to a pending proceeding, who have a substantial interest in the proceeding and who desire to become parties may move for leave to intervene. Motions for leave to intervene must be filed at least twenty (20) days before the final hearing, must comply with Rule 28-106.204(3), F.A.C., and must include allegations sufficient to demonstrate that the intervenor is entitled to participate in the proceeding as a matter of constitutional or statutory right or pursuant to Commission Rule, or that the substantial interests of the intervenor are subject to determination or will be affected through the proceeding. Intervenors take the case as they find it.

To have standing, the intervenor must meet the two-prong standing test set forth in *Agrico Chemical Company v. Department of Environmental Regulation*, 406 So. 2d 478, 482

¹ Order No. PSC-2023-0333-PCO-EI, issued November 2, 2023, in Docket No. 20230020-EI, *In re: Petition for limited proceeding for recovery of incremental storm restoration costs related to Hurricanes Elsa, Eta, Isaias, Ian, Nicole, and Tropical Storm Fred, by Duke Energy Florida, LLC.*

(Fla. 2d DCA 1981). The intervenor must show that (1) he will suffer injury in fact which is of sufficient immediacy to entitle him to a Section 120.57, F.S., hearing, and (2) the substantial injury is of a type or nature which the proceeding is designed to protect. The first prong of the test addresses the degree of injury. The second addresses the nature of the injury. The “injury in fact” must be both real and immediate and not speculative or conjectural. *International Jai-Alai Players Assn. v. Florida Pari-Mutuel Commission*, 561 So. 2d 1224, 1225-26 (Fla. 3rd DCA 1990). See also: *Village Park Mobile Home Assn., Inc. v. State Dept. of Business Regulation*, 506 So. 2d 426, 434 (Fla. 1st DCA 1987), *rev. den.*, 513 So. 2d 1063 (Fla. 1987) (speculation on the possible occurrence of injurious events is too remote).

Analysis & Ruling

It appears that PCS Phosphate has met the two-prong standing test in *Agrico*. PCS Phosphate is a commercial customer of DEF and, thus, will be substantially affected by the rates that will be set in this proceeding. Therefore, PCS Phosphate has demonstrated that it meets the two-prong standing test of *Agrico*, and accordingly, PCS Phosphate’s petition for intervention shall be granted as set forth herein. Pursuant to Rule 28-106.205, F.A.C., PCS Phosphate takes the case as it finds it.
