**Subject:** Petitions for designation as ETC carriers

Good afternoon, Greg,

Several dockets for designation as an ETC carriers have been opened recently. However, they were opened with the suffix of TX rather than TP. CLK's understanding is that most types of dockets like these have the TX suffix, but wireless and CMRS dockets should have a TP suffix. We have updated the suffix in the dockets listed below from TX to TP. This email will be put in Admin Correspondence for historical documentation as acknowledgement letters have already gone to some or all of the companies and petitions for qualified reps have been filed in others. The ones that were changed today are:

<u>Docket No.</u>	<u>Company</u>	<u>Document No.</u>
20240064	IM Telecom, LLC d/b/a Infiniti Mobile	01892-2024
20240065	Q LINK WIRELESS LLC	01893-2024
20240066	Boomerang Wireless d/b/a enTouch Wireless	02004-2024
20240067	Global Connection Inc. of America d/b/a STAND UP WIRELESS	02005-2024
20240069	TEMPO TELECOM, LLC	02128-2024

If you see any other open dockets that should also be changed, please advise. Thank you for your help!
