Correction: Docket 20240070 is already a TP. We will change the suffix for Dockets 20240062 and 20240063 only from TX to TP.

Thank you, Greg. As most of the ones in your list are duplicates of the ones we previously mentioned have been changed, we will only change 20240062, 20240063, and 20240070 per this email.

The following dockets are all wireless carriers seeking ETC designation to offer Lifeline service. They should all be TP docket suffix if that is the suffix used for wireless carriers.
