COMPLAINT INFORMATION

Complaint: Other Complaints against Tampa Electric Company
Details:

This is to express my concern with the proposed 2025 rate structure for Tampa Electric Company that will impact consumers mentioned in the following article <https://www.tampabay.com/news/business/2024/05/10/tampa-electric-teco-bill-energy-customer-residents-increase-walmart/>.

I respectfully ask that you reconsider this cost structure in the plan for redistribution for 2025 so additional cost burden is NOT placed on residents and small businesses.

Thank you for your consideration.

Jill Truman
