Re: Docket 20240013-EG, Commission review of numeric Conservation goals by Duke Energy Florida, LLC.

Dear Messrs. Imig and Rubottom,

On May 6, 2024, Duke Energy Florida, LLC (“DEF”) electronically filed its Notice of Intent to Request Confidential Classification concerning the confidential information and documents provided in response to FIPUG’s First Request to Produce Documents (Nos. 1-5). Prior to the confidential documents being sent, DEF amended the responsive documents and Bates numbering for the documents in POD 1-1. As referenced in the Notice of Intent to Request Confidential Classification, enclosed with this cover letter is DEF’s confidential Exhibit A, on disc (in a separate sealed envelope) that accompanies the above-referenced filing.

Thank you for your assistance in this matter. Please feel free to call me at (850) 521-1425 should you have any questions concerning this filing.

Respectfully,

/s/ Stephanie A. Cuello
