Subject: Charlotte County barrier island septic to sewage conversion

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear Commissioners,
Heal Our Harbor, a Florida registered nonprofit 501c3 organization is dedicated to the environmental preservation and protection of the Charlotte Harbor watershed and surrounding riparian habitats. Thus, we urge removal of legacy septic fields and conversion to central sewage system for properties in the jurisdictional boundaries of **Little Gasparilla Island, Knight Island, and Palm Island, Charlotte County, Florida.**

Thank you,

Richard Whitman, Ph.D.
CEO, Heal Our Harbor, Inc.
