Apologies for the previous email. That information was incorrect. The document presented was reviewed by the Office of Commission Clerk and was not accepted as an e-filing, because it should have been submitted directly to the Office of Industry Development and Market Analysis (IDM). For future reference it is unnecessary to e-file or send a copy of this data request to the Office of Commission Clerk.

If you have any questions, please contact Lydia Roberts in IDM by one of the methods below.

Subject: Notification of Unaccepted E-filing (E-filing ID = 36297)

The document presented has been reviewed by the Office of Commission Clerk (CLK) and has not been accepted as an e-filing. There is no cover letter or any indication on the filing itself to indicate what/why document is being filed. There is also no signature on the filing. This filing will need to be revised and resubmitted.

Please note that any information entered on the website when submitting the electronic filing does not carry over to the actual filing when CLK places it in the docket file and, subsequently, on-line. If this is an amended, corrected, or otherwise revised filing of a previously filed document, please indicate same in the cover letter when resubmitted.

If you have any questions, please contact the Office of Commission Clerk at clerk@psc.state.fl.us
