Subject: Rate Increase for Tampa Electric

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

It seems to me that was a rate increase the beginning of this year. Why are they asking again so quickly? I am a senior citizen and like most people who are old or don't make a lot of money, I simply cannot afford another rate increase. Please take into consideration the fact that a lot of people are having a hard time making ends meet. What are we to do?
