Dear PSC Member,

As a concerned Duke Energy customer [and AARP member in Florida], I am writing to express my opposition to Duke Energy's proposed rate increase.

Please consider the rate increase from our viewpoint.

We, the consumer, are doing what we can to keep energy bills lower- LED bulbs, turning AC up a degree or two, turning off lights etc... NOW Duke is not making the profits desired due to our conservation and wants us to pay more. We need to be rewarded for our conservation not penalized!

Sincerely,

Mark Sylvain
