Subject: Consumer Correspondence

Jacob,

Yesterday we started receiving consumer correspondence with the following subject: "Energy efficiency measures are a proven means to reduce household energy bills." All emails with this subject are identical except for the sender. These emails have been placed in the correspondence file for Docket No. 20240000-OT. However, upon review I believe these emails should be placed in the correspondence file for Docket Nos. 20240012-18.

I have attached Document No. 04141-2024, as an example. Please let me know if you agree that all emails with the same subject should be moved to Docket Nos. 20240012-18.

Thank you
