**Re: Docket No. 20240087-WU – Application for a Limited Alternative Rate Increase (LARI) by A Utility, Inc. in Pasco County**

Dear Mr. Fonder:

On May 16, 2024, A Utility filed an application for a LARI requesting authority to increase rates for water pursuant to Sections 367.0814 and 367.121, Florida Statutes (F.S.) and Rules 25-30.458, Florida Administrative Code (F.A.C.). The utility's application must be accompanied by certain information and schedules in support of the requested increase. In accordance with Rule 25-30.457(3), F.A.C., Commission staff has reviewed the utility's application and has determined that the initial requirements imposed by the rule have not been met.

Rule 25-30.457(2)(c) states that if the utility is a corporation, the date of the incorporation and the names and addresses of all person who own five percent or more of the stock must be included on the application. Paragraph 2 of the utility's application does not provide an address for the stock holder of Troy Fonder Family Revocable Trust as required in the referenced-above rule.

Your application will not be deemed filed until the deficiency identified in this letter has been corrected. The correction should be submitted no later than July 1, 2024, to the following address:
