Dear Management

We are asking for denial to Duke Energy to raise FL rates

Thank u fir stopping these unnecessary increases that puts a burden on senior citizens as well as hard working individuals.

Thank u for immediate action and/or forwarding to necessary decision makers.

Kindest regards
Mr. And Mrs. Kurt Uhlig

To whom it may concern

Power bill increase for 2025 it's not good for the community that made it through last summer. Please reconsider people are barely able to pay, Their bills . It would nice if You were able to research with your company on Ways of allowing other electrical companies coming in and farming out other companies electricity so that we are able to choose for more than one source.
