**Re: Docket 20240026-EG Petition for Rate Case Increase by Tampa Electric Company**

Dear Mr. Teitzman:

Please find enclosed for eventual filing in the above-referenced docket the confidential Direct Testimony and Exhibits of Jonathan Ly provided on behalf of the Florida Industrial Power Users Group (“FIPUG”). Tampa Electric Company’s (“Tampa Electric”) will review the testimony for confidential information beyond what has already been identified by FIPUG and witness Ly and communicated to Tampa Electric. Tampa Electric has informed the Florida Industrial Power Users Group (“FIPUG”) and me that the company will file a Notice of Intent to Request Confidential Classification (“Request”) of Mr. Ly’s testimony and exhibits.

Accordingly, this confidential testimony is only being hand-delivered to the Clerk’s Office and delivered to counsel for Tampa Electric Company at this time. Counsel for Tampa Electric has agreed to serve promptly a copy of the confidential testimony to all parties of record pursuant to non-disclosure agreements following its review. Tampa Electric will redact any further material beyond information identified by FIPUG that Tampa Electric claims to be confidential and file a redacted version of the testimony and exhibits with the Commission. It is our understanding that Tampa Electric will provide its Request, including the highlighted confidential material and the accompanying detailed justification, in a separate filing. FIPUG reserves its right to challenge Tampa Electric’s claims of confidentiality at the appropriate time.

Thank you for your assistance in filing this testimony.

Sincerely,

Jon C. Moyle, Jr.
