Subject: RE: Reject Duke Rate Hike Docket #20240025

Good Morning, Bob Baker.

We will be placing your comments below in consumer correspondence in Docket No. 20240025, and forwarding them to the Office of Consumer Assistance and Outreach.

Thank you!

Toni Hover

PLEASE NOTE: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your email message may be subject to public disclosure.

Subject: Reject Duke Rate Hike Docket #20240025

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

This rate hike is unwarranted. Duke already did a massive rate hike and bait and switch on cost per KWHr last summer. Our monthlies went through the roof last summer with no meaningful variation in average temperature or consumption. Please deny this rate increase this year.
