Re: Docket No. 20240095-WS – Resolution of the Board of County Commissioners of Citrus County declaring Citrus County subject of the provision of Sections 367, F.S.

Dear Ms. Kramer:

On May 28, 2024, the Citrus County Board of County Commissioners (County) passed and adopted Resolution No. 2024-040, which transferred jurisdiction over the County's privately-owned water and wastewater utilities to the Florida Public Service Commission (Commission). The Commission will be scheduled to vote to acknowledge the County's transfer of jurisdiction at an upcoming Commission Conference.

To assist with the transfer of jurisdiction, please provide a list, by Monday, July 08, 2024, of all privately-owned water and wastewater facilities in Citrus County, which the Florida Department of Environmental Protection (DEP) monitors for environmental compliance. The list should include the appropriate contact information for each system, including its respective DEP facility ID number(s).

Thank you for your assistance. If you have any questions, please contact Ms. Ailynee Ramirez-Abundez at (850) 413-6974.

Sincerely,

s/ Tom Ballinger
