CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

This proposed rate hike, right at the start of this record breaking heat season we are having is unconscionable. Please vote no on this rate hike.

Duke is already pulling in record profits, paying their executives record packages, and we don't have alternatives to choose from, there's no competition, no option, we have to suffer under these hikes with no recourse.

Regards,  
Eric Gaciura.
