**TAMPA ELECTRIC COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Tampa Electric Company, ("Tampa Electric" or the "company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby requests confidential classification of the yellow highlighted information contained in the following described document(s) ("the Document(s)") stamped "CONFIDENTIAL" and all information that is or may be printed on yellow paper stock stamped "CONFIDENTIAL" within the Document(s), all of said confidential information being hereinafter referred to as "Confidential Information."

Description of the Document(s)

On June 5, 2024, Tampa Electric Company filed a Notice of Intent to Request Confidential Classification for the Direct Testimony and Exhibits of Jonathan Ly.¹ On June 6, 2024, the Florida Industrial Power Users Group filed the confidential Direct Testimony and Exhibits of Jonathan Ly.² The company believes that portions of Mr. Ly's Direct Testimony, as specified on Exhibit "A," constitute Confidential Information and has designated it as such by highlighting.

¹ See DN 04586-2024, filed on June 5, 2024 in Docket No. 20240026-EI.

² See DN 04659-2024 filed on June 6, 2024, in Docket No. 20240026-EI.

Contemporaneous with the filing of this request, Tampa Electric submitted the Confidential Information to the Commission Clerk under a separate, confidential cover letter. Tampa Electric requests confidential classification for this information such that it will be entitled to protection against public disclosure pursuant to Section 366.093, Florida Statutes. In support of this request, the company states:

1. Subsection 366.093(1), Florida Statutes, provides that any records “found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from s. 119.07(1), Florida Statutes [requiring disclosure under the Public Records Act].” Proprietary confidential business information includes but is not limited to: (a) trade secrets; (b) internal auditing controls and reports of internal auditors; (c) security measures, systems, or procedures; (d) information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms; (e) information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information; and (f) employee personnel information unrelated to compensation, duties, qualifications, or responsibilities. §366.093(3)(a)-(f), Fla. Stat. The Confidential Information that is the subject of this request and motion falls within one or more of these statutory categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

2. Attached hereto as Exhibit "A" is a justification for confidential treatment of the Confidential Information contained in the Documents.

3. Exhibit “B” contains the public versions of the Documents with the Confidential Information.

4. The Confidential Information contained in the Documents is intended to be and is treated by Tampa Electric as private and has not been publicly disclosed.

Requested Duration of Confidential Classification

5. Pursuant to Rule 25-22.006(9)(a), Tampa Electric requests that the Confidential Information be treated by the Commission as confidential proprietary business information for 18 months. If, and to the extent that the company is in need of confidential classification of the Confidential Information beyond the 18-month period set forth in the Commission rule, the justification and grounds for such extended confidential treatment are set forth in Exhibit "C" to this request and motion.

WHEREFORE, Tampa Electric respectfully requests that the Confidential Information that is the subject of this request and motion be accorded confidential classification for the reasons set forth herein and for 18 months.

DATED this 10th day of June, 2024.

Respectfully submitted,

Bates Page Nos.	Description of Information	Justification
7	The Highlighted Information	(1), (2)

Justifications

(1) The highlighted information relates to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. This information is protected by Section 366.093(3)(e), Florida Statutes.

(2) The confidential information contained in these columns consists of the proprietary work product purchased from a third-party vendor. Public disclosure of this information could allow duplication of the proprietary work without compensation for the consultant's efforts. This information is in the nature of a trade secret owned by the consultant, and disclosure of this information would impair the consultant's business interests by diminishing the demand for the consultant's proprietary work production. This information is protected by Section 366.093(3), Florida Statutes.
