CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I am appall that you would even consider a rate hike. Everyone knows that the only time they work is if we lose power during a hurricane SHAME on YOU!!! Everyone also knows that you are and have been in bed with them forever so I'm assuming I as a sr citizen will not have food but Duke Energy will get what they want Sent from my iPhone.
