Re: Docket 20240025-EG Petition for Rate Case Increase by Duke Energy Florida, LLC

Dear Mr. Teitzman:

Please find enclosed for eventual filing in the above-referenced docket the confidential Direct Testimony and Exhibits of Jeff Pollock provided on behalf of the Florida Industrial Power Users Group ("FIPUG"). Duke Energy Florida, LLC ("DEF") will review the testimony for confidential information beyond what has already been identified by FIPUG. DEF has informed the Florida Industrial Power Users Group ("FIPUG") that the company will file a Notice of Intent to Request Confidential Classification ("Request") of Mr. Pollock's testimony and exhibits.

Accordingly, this filing is only being hand delivered to the Clerk's Office and delivered to counsel for DEF at this time. Counsel for DEF has agreed to serve promptly a copy of the confidential testimony to all parties of record pursuant to non-disclosure agreements following its review. DEF will redact any further material beyond information identified by FIPUG that DEF claims to be confidential and file a redacted version of the testimony and exhibits with the Commission. It is our understanding that DEF will provide its Request, including the highlighted confidential material and the accompanying detailed justification, in a separate filing. FIPUG reserves the right to challenge DEF's claims of confidentiality at the appropriate time.

Thank you for your assistance in filing this testimony.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jon C. Moyle, Jr.', with a large, stylized initial 'J'.

Jon C. Moyle, Jr.
