Subject: RE: Docket 20240026

Good Morning,

We will be placing your comments below in consumer correspondence in Docket No. 20240026-EI and forwarding your comments to the Office of Consumer Assistance and Outreach.

Sincerely,

Brian Schultz

Commission Deputy Clerk II
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, Florida 32399
850.413.6770

PLEASE NOTE: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your e-mail message may be subject to public disclosure.

To PSC:

There is no proven need for a electricity rate increase. Electricity rates increased 62% in the last 5 years, which is twice the rate of inflation. The hike will negatively impact low income people and marginalized communities.

No to rate hike.

Lydia Medrano
LULAC National Vice President for the Southeast Region
LULAC Florida Director District One
