Subject: Teco Rate Hike Objection - 20240026-EI

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

To whom it may concern,

A few months ago Teco sent a letter to customers saying they would be *reducing* rates in 2025, but now they are requesting another increase!

Floridians have been squeezed by seemingly unnecessary rate hikes since the pandemic. Enough is enough.

Please reject their proposal.

Sincerely,

Joshua Sclafani
