Ok so I can confirm that we did leave them out on purpose.

On top of that, I'd also like to request a title change for this docket.

The current title is: 2024 State certification under 47 C.F.R. §54.313 and §54.314, annual reporting requirements for high-cost recipients and certification of support for eligible telecommunications carriers.

I need to have the 2024 updated to 2025 so that it appears as: 2025 State certification under 47 C.F.R. §54.313 and §54.314, annual reporting requirements for high-cost recipients and certification of support for eligible telecommunications carriers.

**Subject:** New Docket 20240097

Hi Shelby,

CLK just opened new Docket 20240097 - 2024 State certification under 47 C.F.R. §54.313 and §54.314, annual reporting requirements for high-cost recipients and certification of support for eligible telecommunications carriers. It is noted that the utilities listed did not include the following. I wanted to make sure that it was done on purpose and not just an oversight.

TL732 Frontier Communications of the South, LLC  
TX215 Knology of Florida, Inc. d/b/a WOW! Internet, Cable and Phone

Should they be included in the docket?

Thank you for your help!  
Dorothy
