**Subject:** RE: Teco Increase

Good Morning, Chris Bryan.

We will be placing your comments below in consumer correspondence in Docket No. 20240026, and forwarding them to the Office of Consumer Assistance and Outreach.

Thank you!

*PLEASE NOTE: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your email message may be subject to public disclosure.*

**Subject:** Teco Increase

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

This is in regards to docket number 20240026-EI, the proposed TECO rate increase.

A little research shows that retained earnings and stockholder equity are at all time highs for TECO. They DO NOT NEED to increase rates on anyone. The only reason they are doing this is to improve shareholder value, not to improve the power network and reduce power outages. They already have the resources to do that.

Please stop this increase!
