Dear PSC Member,

As a concerned TECO customer [and AARP member in Florida], I am writing to express my opposition to TECO's proposed rate increase.

I urge you to carefully consider the impact of a rate increase on Florida residents.

I ask that you prioritize the interests of citizens over corporate greed and reject TECO's proposed increase to the return on equity and fixed customer charge. It's wrong.

Please do the right thing, ensure that essential services remain affordable and accessible to all Floridians by opposing rate increases.

Thank you for your careful consideration to this matter.

Sincerely,

Julia Freeman
