Dear PSC Member,

As a concerned TECO customer [and AARP member in Florida], I am writing to express my opposition to TECO's proposed rate increase.

You are after all named the "public" "service" commission.....not the "corporate" commission.

I urge you to carefully consider the impact of an unbalanced rate increase on Florida residents. The % increase for corps should be no less than those for citizens.

I ask that you prioritize the interests of consumers over corporate greed and reject TECO's proposed increase to the return on equity and fixed customer charge. Now more than ever, it is crucial to ensure that essential services remain affordable and accessible to all Floridians.

Thank you for your consideration to this matter.

Sincerely,

m karl
