REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Description of the Document(s)

On June 13, 2024, Staff issued its first Data Request to Florida Public Utilities Company in Docket No. 20240094-GU, which seeks Document No. 06294-2022 from Docket No. 20220159-GU.¹ On this date, Peoples submits Document No. 06294-2022 and believes certain information contained in that document as specified on Exhibit “A,” constitute Confidential Information and have designated it as such by highlighting. Contemporaneous with the filing of this request, Peoples submitted the Confidential Information to the Commission Clerk under a separate, confidential cover letter. The company requests confidential classification for this information such that it will be entitled to protection against public disclosure pursuant to Section 366.093, Florida Statutes. In support of this request, Peoples state:

1. Subsection 366.093(1), Florida Statutes, provides that any records “found by the Commission to be proprietary confidential business information shall be kept confidential and

Stat. The Confidential Information that is the subject of this request falls within one or more of these statutory categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

2. Attached hereto as Exhibit "A" is a justification for confidential treatment of the Confidential Information contained in the Documents.

3. Exhibit “B” contains the public versions of the Documents with the Confidential Information.

4. The Confidential Information contained in the Documents is intended to be and is treated by Peoples as private and has not been publicly disclosed.

Requested Duration of Confidential Classification

5. Pursuant to Rule 25-22.006(9)(a), Peoples request that the Confidential Information be treated by the Commission as confidential proprietary business information for 18 months. If, and to the extent that the company is in need of confidential classification of the Confidential

Information beyond the 18-month period set forth in the Commission rule, the justification and grounds for such extended confidential treatment are set forth in Exhibit "C" to this request.

WHEREFORE, Peoples respectfully request the Confidential Information that is the subject of this request be accorded confidential classification for the reasons set forth herein and for 18 months.

Dated this 25th day of June 2024.
