Subject: RE: Duke propose rate I trade

John,

Please forward to the clerk's office. Also, can you answer the customer question?

Thanks

Consina

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Duke Power is one of the most expensive power companies in the area. At a time when Florida Power and Light can lower their bills due to lower costs, why should Duke get a rate increase? I hasn't even been a year since the last one!
