**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

In re: Petition by Duke Energy Florida, LLC  
for rate increase

DOCKET NO. 20240025-EI

Dated: June 27, 2024

**DUKE ENERGY FLORIDA, LLC'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Duke Energy Florida, LLC (“DEF” or “Company”), pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), submits this Request for Confidential Classification (“Request”) for certain information contained in its Response to Sierra Club’s Sixth Request for Production of Documents (Nos. 30-32). DEF’s Notice of Intent to Request Confidential Classification was filed June 6, 2024. This Request is timely. *See* Rule 25-22.006(3)(a)1, E.A.C. In support of this Request, DEF states:

1. Documents responsive to Sierra Club’s Sixth Request for Production of Documents, specifically, Question 32, contain “confidential proprietary business information” under Section 366.093(3), F.S.

2. The following exhibits are included with this request:

(a) Sealed Composite Exhibit A is a package containing unredacted copies of all documents for which DEF seeks confidential treatment. Composite Exhibit A was submitted separately in a sealed envelope labeled “CONFIDENTIAL” on June 6, 2024. In the unredacted versions, the information asserted to be confidential is highlighted in yellow.

(b) Composite Exhibit B is a package containing two copies of redacted versions of the documents for which DEF requests confidential classification. The specific information for

which confidential treatment is requested has been blocked out by opaque marker or other means.

(c) Exhibit C is a table which identifies by page and line the information for which DEF seeks confidential classification and the specific statutory bases for seeking confidential treatment.

(d) Exhibit D includes the affidavit of Reginald D. Anderson, attesting to the confidential nature of the information identified in Exhibit C.

3. As indicated in Exhibits C and D, the information for which DEF requires confidential classification is “proprietary confidential business information” within the meaning of § 366.093(3), F.S. Specifically, the information at issue in DEF’s response to Sierra Club’s Sixth Request for Production of Documents, specifically, Question 32, relates to DEF’s generation projects, to include DEF’s costs associated with these projects. That information relates to DEF’s competitive business interests, and, thus, its disclosure would impair DEF’s ability to compete in the marketplace. In addition, these documents contain pricing and other information relating to contracts for goods and services. Disclosure of this non-public information could alter contractors’ behavior to the detriment of DEF, its customers, and its affiliates. Thus, absent confidential classification, DEF and its affiliates’ efforts to contract for goods and services on favorable terms may be impaired.

4. The information identified in Exhibits A and C is intended to be and is treated as confidential by DEF. *See* Exhibit D. Further, that information has not been disclosed to the public. *See* Exhibit D.

5. It follows that the information identified in Exhibits A and C is proprietary confidential information, which would cause harm to DEF and ratepayers if disclosed and which is exempt from disclosure under the Public Records Act pursuant to § 366.093(3), F.S.

6. Accordingly, DEF requests that the information identified in Exhibit A be classified as “proprietary confidential business information” within the meaning of section 366.093(3), F.S., that the information remain confidential for a period of at least 18 months as provided in section 366.093(4) F.S., and that the information be returned as soon as it is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the foregoing reasons, DEF respectfully requests that this Request be granted.

RESPECTFULLY SUBMITTED this 27th of June, 2024.

## **AFFIDAVIT OF REGINALD D. ANDERSON**

**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

In re: Petition by Duke Energy Florida, LLC  
for rate increase

DOCKET NO. 20240025-EI

Dated: June 27, 2024

**AFFIDAVIT OF REGINALD D. ANDERSON IN SUPPORT OF  
DUKE ENERGY FLORIDA, LLC'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

STATE OF FLORIDA

COUNTY OF PINELLAS

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Reginald D. Anderson, who being first duly sworn, on oath deposes and says that:

1. My name is Reginald D. Anderson. I am over the age of 18 years old, and I have been authorized by Duke Energy Florida (hereinafter "DEF" or the "Company") to give this affidavit in the above-styled proceeding on DEF's behalf and in support of DEF's Request for Confidential Classification (the "Request"). The facts attested to in my affidavit are based upon my personal knowledge.

2. I am employed by DEF as Vice President, Power Generation.

3. As Vice President of DEF's Power Generation organization, I am responsible for providing overall leadership and strategic and tactical planning over employees in DEF's Power Generation organization. In this role, I oversee generation projects, major maintenance programs, outage and project management, fleet retirement strategy, and workforce planning (including

departmental staffing and long-term strategies such as organizational alignment, design, retention, and inclusion). I am responsible for billions of dollars in assets including capital and operating and maintenance budgets, and I lead the development of regional succession planning.

4. DEF is seeking confidential classification for information contained in response to the Sierra Club's Sixth Request for Production of Documents, Question 32. A detailed description of the confidential information at issue is contained in Exhibit A to DEF's Request and is outlined in DEF's Confidentiality Justification Matrix that is attached to DEF's Request as Exhibit C. DEF is requesting confidential classification of this confidential information for the reasons set forth below.

5. Documents produced in response to Sierra Club's Sixth Request for Production of Documents, Question 32, contain confidential information. Specifically, these documents contain information relating to DEF's generation projects, to include DEF's costs associated with these projects. That information relates to DEF's competitive business interests, and, thus, its disclosure would impair DEF's ability to compete in the marketplace. In addition, these documents contain pricing and other information relating to contracts for goods and services. Disclosure of this non-public information could alter contractors' behavior to the detriment of DEF, its customers, and its affiliates. Thus, absent confidential classification, DEF and its affiliates' efforts to contract for goods and services on favorable terms may be impaired.

6. Upon receipt of confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided, including restricting access to those persons who need the information to assist DEF. At no time since receiving the information in question has DEF publicly disclosed that information. DEF has treated and continues to treat the information at issue as confidential.

7. This concludes my affidavit.

Further affiant sayeth not.
